This congress will be held in Paris on 4-9 September 1978. For registration, information, and registration requests for free papers and films write to:

Congres Anesthesie—P.M.V.,
B.P. 246,
92205 Neuilly sur Seine,
France.

New 'Journal of Clinical Engineering'

A new quarterly publication, the *Journal of Clinical Engineering*, has been introduced by Quest Publishing Company and edited by Morton D. Schwartz, Ph.D. The new *Journal* is devoted to serving the day-to-day technical and professional information needs of biomedical engineers, clinical engineers, hospital personnel, and all who work with clinical technology.

By special arrangement, interested readers of the *British Heart Journal* may receive a single complimentary copy of the new *Journal of Clinical Engineering*, without charge, by writing to: Donna Pacela, Quest Publishing Co., Box 4141, Diamond Bar, California 91765, USA.

The Second World Federation of Nuclear Medicine and Biology Meeting

This meeting will take place in Washington, DC, USA on 17-21 September 1978.

Correspondence about registration should be sent to the Administrative Secretariat, Second International Congress of Nuclear Medicine and Biology, Suite 700, 1629 K Street NW, Washington, DC 20006, USA.
